ALL FEELINGS ARE OKAY

Sometimes we feel:

Happy

Worried

Angry

Tired

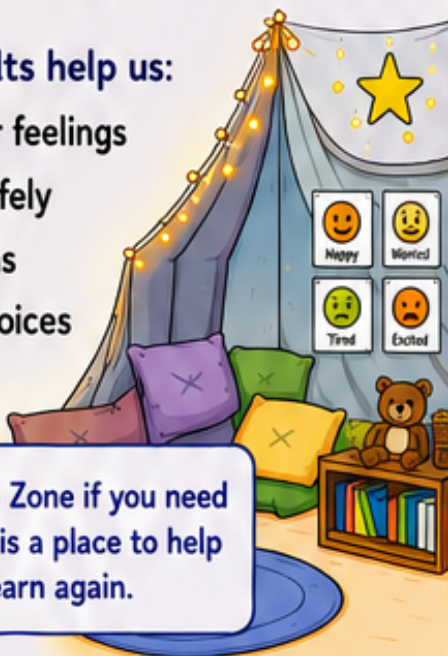

Excited

At Walton, adults help us:

- Talk about our feelings
- Calm down safely
- Solve problems
- Make good choices

You can use a Calm Zone if you need a quiet moment. It is a place to help you feel ready to learn again.

MAKING GOOD CHOICES

Most children make brilliant choices every day!

Teachers use a 'Stop and Think' to encourage children to pause and reflect on their actions before anything else happens.

If a yellow card is used, you have made further negative choices. Time to make a better choice.

Red Card

Given when unsafe or unkind behaviour continues. Adults will help you understand and learn from your choices.

Everyone gets a fresh start and another chance to make good choices.

WE LOVE TO CELEBRATE SUCCESS!

You may receive:

- Praise from an adult
- Certificates
- Shine Assembly celebrations
- Headteacher rewards
- Dojo/Monster points
- Recognition for being kind, responsible and hardworking
