IMPORTANT UPDATES

1. SNACK PROVISION FROM SEPTEMBER 26

From 1 September, all schools within the JTMAT will move to a fully cashless payment system, in line with our Cash Handling Policies and Procedures.

Because breaktime snacks are provided by our external caterers, Mellors, until they are able to offer a system for parents to make payments directly to them, the sale of breaktime snacks will cease.

Children aged 4–6 will continue to receive free fruit and vegetables through the School Fruit and Vegetable Scheme. Older pupils are very welcome to bring their own healthy snack from home if they wish.

To help us maintain a healthy and safe environment:

- High-sugar or Snacks with more than 1 red sugar label will be returned to you and we will provide your child with a healthy alternative if needed.
- No processed fruit bars, sweets, and chocolate should not be brought into school.
- No products containing nuts are permitted, as we are a nut-free school.

YOUNGMINDS
Fighting for young people's mental health

Wear yellow and say hello on 9 October 🧡

Join schools across the UK wearing yellow to show young people that they're not alone with their mental health this October.

Taking part in **Hello Yellow** is a simple way to get pupils talking about mental health, strengthen connections across your school and raise vital funds for YoungMinds.

This year marks 10 years of schools standing out, starting conversations and showing their support. **There's never been a better time for Walton On Trent CofE Primary and Nursery School to get involved** – and we'll make sure you've got everything you need to join in!

On the 9th October we would like your child to come wearing yellow to support YoungMinds. If you can make a donate on the link below not matter how small or big it will be gratefully appreciated. This is on behalf of the school.
